

Walking the M62: book launch

Tuesday 5 February 7.30 at the Good Shepherd

During the months of September and October last year the vicar of the Church of the Good Shepherd West Derby John Davies, on sabbatical, took a walk across the north of England following the route of the M62 motorway east to west from Hull back home to Liverpool. He then spent another month putting together a book describing the experience. He hopes that it is an entertaining and thought-provoking record of a remarkable journey, and on Tuesday 5 February is 'launching' the book at the Good Shepherd with a talk illustrated by a few of the 1,000 photos which he took on his travels. All welcome. No charge - **books will be on sale at a discounted price** (of £5.99, a saving of £2.00) for that night only! Pancakes will be served.
